Dear Dr. Radek Rudnicki,

I am writing to you on behalf of Shizuoka University of Art and Culture (SUAC) in Hamamatsu, Japan. Here at SUAC, we deeply admire your research and international projects. On behalf of the Faculty of Design, I would like to invite you to provide a special lecture in the "Media Mathematical Design Exercise" taught by Professor Yoichi Nagashima. This will create a unique opportunity for our faculty and students to hear about your research projects in linking Music, Culture and Electronic Media. The lecture will be on the 15th of November, 2019. We would be forever grateful if you could accept this invitation.

Sincerely,

Yuichi Izu
Dean, Shizuoka University of Art and Culture
